To The Citizens of the City of Albany
GREETINGS!

The members of the secretarial profession are rendering highly competent services in every field of business and industry, and government and education depend in large measure upon the skills, loyalty and efficiency of secretaries.

The role of the secretary has become an indispensable part of our American way of life, and it is fitting that a time be set aside to acknowledge the outstanding job they are performing and the high esteem in which they are held.

I am pleased, therefore, as Mayor of the City of Albany and in behalf of its administration, to designate the week of April 19th through April 25th as SECRETARIES WEEK with Wednesday, April 22nd, set aside as SECRETARIES DAY so that proper recognition may be given to the vital role the members of this profession portray in the life of our community and nation.

IN TESTIMONY WHEREOF, I have hereunto set my hand and caused to be affixed the Seal of the City of Albany this 13th day of April, 1959.

California Spring Garden Show to Open Saturday

Combining spectacular floral effects and varied entertainment, the California Spring Garden and Home Show makes its 27th annual bow Saturday morning (April 18) in the Oakland Exposition Building.

"Northern Lights and Southern Shadows" is the Show's dual theme, with exhibits ranging from an exotically landscaped Hawaiian Palace Garden set in a lush Orchid Canyon, to an Alaskan mountain scene with a 16-foot waterfall, a giant totem, and a Swan Lake symbolic of North country legend.

Half the theme exhibits in the Exposition arena represent the tropical motif, with a profusion of rare orchids, giant staghorn ferns and exotic tropical plants, as well as tropical storm effects, with perturbed rain falling on a palm-thatched Aloha hut. Pikake, ginger and frangipani fragrances will scent the torrential rains.

North coastal plants, including an abundance of choice rhododendrons and azaleas, a huge landscaped hybrid rose garden, and spring bulbs highlight the "Alaska" half of the exhibit arena. "Western Living" is the theme of the four acres of outdoor exhibits, with model garden plots, as well as plant specialty displays of fuchsias, begonias, cacti and succulents.

The show will be open daily from 10 a.m. to 10 p.m. through Saturday, April 26.

EDITOR, ALBANY TIMES: Recently my young teen-age daughter lost her wallet on Solano Avenue. It contained \$2.50, plus her student body card and other valuable cards, and identification. A woman phoned her and said she had picked it up, and my daughter thought she said she lived at "704 San Carlos," but upon going there, found there was no such number. The lady has not called her back, and we thought if you would print this she might see it, and thereby learn that my daughter did not get the right address. We hope she will again contact us, as my daughter would like to get her wallet back.

Chamber Chatter

By IRENE GROVE

Next week is Chamber of Commerce Week.

In an official proclamation, Governor Brown and our own Mayor Howell have set aside April 20 through 26 as your Chamber's special week. This is the time to acknowledge the business and professional leaders who are striving to make our community a better place to live. Service is the by-word of your Chamber in its attempt to build a better Albany.

We urge all of you to visit your Chamber of Commerce office next week. Find out for yourself what your Chamber of Commerce is doing for you.

Big surprise for you — a post-Chamber of Commerce Week invitation to a real open-house soon. Your Chamber of Commerce will soon have new quarters, more spacious, and more convenient for all of you. We can hardly wait — so look for all about it later.

The news from the Board of Directors of your Chamber of Commerce at their regular monthly meeting last Thursday indicates some progressive steps ahead for Albany. An all out effort to encourage the move of the Public Health Building in Berkeley to Gill Tract in Albany was approved and a letter to that

effect was sent to the Albany City Council. Everything possible is being done to encourage new business and business expansion in our city.

We ask your help — please inform the Chamber of Commerce office of any new businesses, change of ownership or of persons interested in beginning a new business in our city.

It was wonderful to have Fire Chief Gerald Browne as a special guest at the board of directors meeting.

A special welcome to Mr. Frank Mello, new owner of Ernie's Liquors, 1540 Solano Avenue.

Best wishes go to Tony and Vivian Delorence at the 375 Variety Store, 375 San Pablo Avenue, on their second anniversary in business in Albany.

Welcome to a new investor in your Albany Chamber of Commerce, MacGregor Homes. "Welcome aboard, Bud."

A big time is planned by the Albany Soroptimist Club, Saturday, April 18 — "The Gaslight Supper Gaieties" — at the Cerrito City Club in El Cerrito. Sounds wonderful.

We also hear the Albany Exchangeettes are holding a dance, May 16 at Ensign Hall, 47th and Grove in Oakland. Tickets are available from members at \$2 a couple.

Bill On Election Rules Introduced By Don Mulford

SACRAMENTO — April 14. Assemblyman Don Mulford today introduced a bill requiring campaign material on ballot propositions to show the name of the responsible individual or the names of two officials of the responsible organization, if issued by an organization.

Mulford stated the measure, introduced at the request of the City of Albany, stemmed from a recent municipal election in which unsigned circulars dealing with a bond issue and other measures on the ballot were distributed throughout the city. Violation of the law would be a misdemeanor.

Mulford is also the author of AB 74, which prohibits a candidate to assume a role of an incumbent when in fact he is not.

COUNCIL TO CLOSE ROAD TO OLD DUMP

After receiving a legal opinion from City Attorney Robert Foley that it could do so, the Albany City Council Monday night voted 4 to 0 to close off Buchanan Street approximately half way to the old dump site to all vehicular traffic. Posts are to be placed across the road preventing cars from continuing to the dump area, but enabling fishermen to walk to the bay shore, about 600 feet west of the proposed barrier.

Closure of the street is being based on the threat to the development of unsanitary conditions which, even now, are said to be bad. According to reports from the city engineer's office, the police department, and members of the council who have visited the site of the old dump, people have been driving to the old site and when they found the entrance gate locked, have dumped debris of all sorts on the ground beside the roadway and outside the barrier fence.

While it is illegal to use the presently abandoned dump, it is also illegal to dump debris of any sort in or adjacent to any public road — Buchanan Street in this instance. Closure of the street is labeled "temporary," and to remain while the present threat to sanitation exists.

In other action the council voted to favor an "interim study" of the proposed Golden Gate Authority, in answer to a request from Sen. John W. Holmquist requesting comments and suggestions.

A motion also was voted calling for a resolution inviting the State Health Department to move to University of California property adjoining University Village in Albany.

Resolutions Nos. 59-34 and 59-35 were passed unanimously. They cover the appointment of City Clerk Mrs. Myrtle J. McLean as city purchasing agent and budget officer, in addition to her other duties, and the appointment of Marietta Ferreira as city treasurer.

Good Figuring

MIAMI BEACH—Determined to really measure up for the first Empress beauty crown, these three lovelies go into "spring training" with a new all-liquid miracle diet that's designed to slim away 14½ pounds in 28 days. Left to right, Janet Auerbach, Lynda Kuderna, Chris Darling.

Consisting of pure vegetable oil, eggs, orange juice and skim milk, this speedy diet is simply shaken up until you have a frothy "egg-nog". Then you drink a glass of it seven times a day—once at each mealtime, once in mid-morning, early afternoon, late afternoon and before retiring—for 28 days and the miracle is done! A maintenance diet is then suggested to help hold your new weight level.

Developed under the guidance of one of America's foremost nutritionists, the diet contains the protein equivalent of four large hamburgers or two large porterhouse steaks. Diet directions for a one-day supply of "egg-nog" are:

- 3 tablespoons Wesson Oil
- ½ cup orange juice
- 5 cups skim milk, or reconstituted dry skim milk
- 3 eggs

Beat eggs well; beat in other ingredients. Refrigerate in covered jar. Before serving, shake vigorously.

Dental Auxiliary Fashion Show Set For April 20th

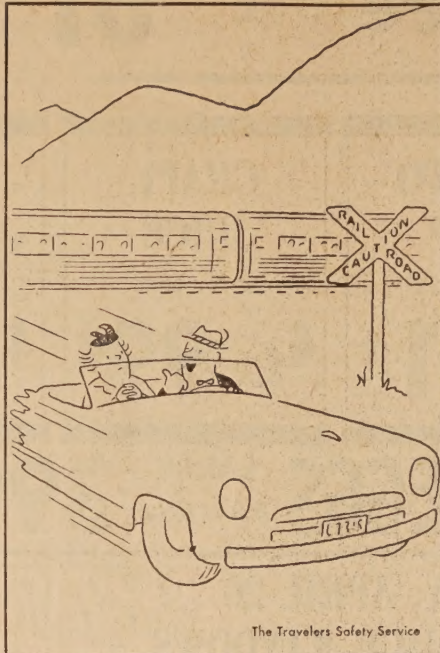

The Eighty-Ninth Annual meeting of the California State Dental Association Women's general chairman, Mrs. Alfred E. Hughes, of the Woman's Auxiliary of the East Bay Dental Societies has completed plans for a fabulous fashion show to be held Monday, April 20 in the Peacock Court, Hotel Mark Hopkins.

A new and special collection of international traditional festival costumes from 15 foreign countries will be shown by Mary Gor-

don, travel advisor for Trans World Airlines. They are all hand made and are insured for \$25,000.

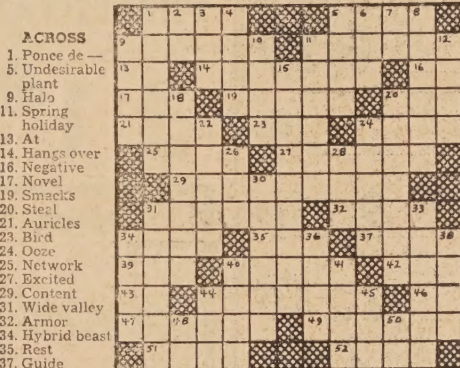

There is the garb worn by women of Nazre, a fashioning village in Portugal and an elaborate gold-embroidered dress from Italy. The costumes from India, Thailand and the Philippines are of traditional styles worn by women in Asian countries today and are noteworthy for their fine fabrics.

New Hamburger Idea MEAT BALL STROGANOFF

You have probably thought there must be a thousand ways to serve hamburger, but here is a new idea to bring the score to a thousand and one. Meat Ball Stroganoff is a penny saver take off on the original beef or veal dish. You'll find it is a meal that both looks and tastes important.

Mix and shape the meat balls just as you ordinarily would, making sure to use rolled oats to hold the meat juices inside. Using rolled oats is a flavor-stretching idea to keep in mind whenever you make meat balls, meat loaf or hamburgers. The zesty tomato sauce is the crowning touch to this dish. Easy to make, it boasts these important ingredients—sour cream, tomato sauce and soup, mushroom pieces and just the breath of garlic. Slow cooking for about half an hour blends these flavors into a sauce supreme. Then just before serving, spoon snow white cultured sour cream into the sauce and blend thoroughly. Serve Meat Ball Stroganoff on a bed of buttered noodles sprinkled with poppy or caraway seeds, if desired.

There comes a time in each month's food budget when economy meals are a necessary crutch. Try this Meat Ball Stroganoff soon served with

lemon flavored brocoli, pineapple and prune salad and a glorified pudding for dessert.

Meat Ball Stroganoff
(Makes 6 servings)

- Meat Balls:
1½ lb. ground beef
1 cup rolled oats (quick or old fashioned, uncooked)
½ cup chopped onion
1 teaspoon dry mustard
1 teaspoon salt
½ teaspoon pepper
1 cup milk

Sauce:
¼ cup garlic, minced
½ cup chopped onion
One 10½ oz. can tomato soup
One 8-oz. can tomato sauce
One 4-oz. can mushrooms, stems & pieces, drained
1 teaspoon salt
½ teaspoon pepper
1 cup cultured sour cream

For the meat balls, combine all ingredients. Shape into 14 large meat balls. In a lightly greased frying pan, brown on all sides over medium heat; cook about 10 additional minutes.

For the sauce, saute garlic and onion. Add tomato soup, tomato sauce, mushrooms, salt and pepper. Add meat balls and simmer about 30 minutes. Stir in sour cream just before serving. Serve over cooked noodles.

Recent Changes In Social Security Act Affect Disabled

One of the recent changes in the Social Security Act now makes possible monthly checks for dependents of a person between 50 and 65 who is receiving disability insurance benefits, according to Morgan J. Shea, social security district manager at Berkeley.

If the disabled person has a child under 18, a disabled child over 18 whose disability began before age 18, or a wife over 62, an application for social security benefits should be filed. If a child

qualifies for benefits, the mother also may qualify, regardless of her age, if the child is in her care.

If the disabled person is a woman who has a husband over 65 who was dependent on her for support, he also may be eligible for payments.

Shea suggests that persons who may be affected by these changes get in touch with his office immediately.

No man who continues to add something to the material, intellectual and moral well-being of the place in which he lives is left long without proper reward. — Booker T. Washington.

WHAT'S DOING

Ever counted the steps from the kitchen to your phone? Try it. 15 steps? 20? 30? Even if you get only 3 steps a day during kitchen hours, a kitchen extension would save you 16,000 to 33,000 steps a year! It lets you go ahead with your work when the phone rings, too, turning off the stove and running through the house to answer the telephone. And if you're planning to move soon, you can save money on the installation cost of extensions. The charge to move your present phone covers the installation cost of all the extensions you need in your new home.

This group of installers sold 152 extensions and 97 corded telephones to customers during the first three months of this year. This is an outstanding record and serves another fine example of how each of us at Pacific Telephone is working to provide our customers with better more attractive telephone service. The next time you see our familiar green trucks in your neighborhood, ask to see how convenient and attractive a colored extension will be in your home. CHRISTIAN SCIENCE
The spiritual relationship of man and God will be set forth in the Christian Science service at 11 a.m. and 7 p.m. on Sunday. The service will be read from the Lesson-Sermon on "The Doctrine of Atonement," from I John (4: 15), "Whoever shall confess the Son of God, God dwelleth in him, and he in God, and the love that God hath to us, God is love; and he that dwelleth in love dwelleth in God, and God is in him."

Correlative passages from "Science and Health with Key to the Scriptures" by Mary Baker Eddy will include (18:1-5): "Atonement is the exemplification of man's unity with God, whereby man reflects divine Truth, Life, and Love. Jesus of Nazareth taught and demonstrated man's oneness with the Father, and for this we owe him endless homage."

ANNUAL FLOWERS GIVE VARIETY
 CRACILIMA LINEARIS LILLIPUT
 DAHLIA FLOWERED MEXICAN CALIFORNIA GIANT
 SCABIOSA FLOWERED PUMILA DWARF
ZINNIAS
 Typical of the variety now
 available in annual flowers is
 that offered by zinnias. Hardy
 zinnias, readily grown in all
 sections of the country, provide
 a complete color range. A wide
 range of shapes and sizes is
 found in the flower, from the
 small single-flowered Mexican
 zinnia on a foot-high plant to
 upright California giants, fully
 three feet high and studded
 with blooms averaging five
 inches in diameter.
 In selecting flowers for your
 garden, important factors to
 consider are color, height,
 spread and time of bloom. This
 information is generally avail-
 able both in seed catalogs and
 on seed packets.
 Size of bloom is not always
 related to overall height of
 plant. National Garden Bureau
 experts point out. For instance,
 some giant ruffled petunias
 have dwarf-sized 12 to 15-inch
 plants.
 If you need color in a hurry,
 there are annuals which rush
 the season and flower ahead of
 the rest of the pack, or, if your
 garden is small and only low,
 heavily blooming flowers are
 needed, there are annuals which
 will give you a solid mass of
 color all summer long.
 The versatility of annual
 flowers in color, shape and size
 is the result of years of patient
 effort on the part of garden
 seed producers.
 With a given objective in
 mind, producers cross varieties
 which are likely to produce de-
 sired results.
 Each season, their work pays
 dividends to the home gardener
 in an increased array of annual
 flowers.

For blessings ever wait on vir-
 tuous deeds; And though a late,
 a sure reward succeeds. — Wil-
 liam Congreve.

FORD WAGONS ARE BUILT FOR PEOPLE. The Ford wagons for 59 are the longest, lowest, biggest wagons ever built by Ford. There's head room, knee room, hip room for everyone. And talk about size! There's 42 square feet of space in the deck with the tailgate down—big enough for any family hauling.

FORD WAGONS ARE BUILT FOR SAVINGS. Lowest priced wagons of the most popular three! And they cost less to run, too. All standard Ford engines—Six and V-8—for 59 purr along on regular gas. Aluminized mufflers are built to last twice as long as ordinary mufflers. And the Full-Flow Oil Filter stretches oil changes to 4000-mile intervals.

ALBANY TROOP 19 OF THE GIRL SCOUTS, sponsored by the Albany Lions Club, recently adopted a worthwhile project and are shown planting ice plant on the east slope of the Albany Hill. It was in this area more than a year ago where the surface soil of the hill slipped down and partially buried several homes. The girls' project is designed to stabilize the surface against similar slides. The man in the picture is Jo-Arles Smith, father of Scout Nancy Smith. Others, from left to right, in front row, are: Janice Eisner, Susan Guttridge and Susan Minear. Sandy Thomas is in center in line with Mr. Smith. The ice plant was donated by the Standard Oil Co. — Gazette photo.
